Shipping shall be accomplished by reasonable and suitable means that will ensure the integrity of the product delivered, in compliance with these Terms and Conditions. If expedited shipping is necessary to meet Purchase Order due date and the delay in shipping has been caused by the Seller, then Seller shall pay for expedited shipping costs. Copies of all shipment documents with the method of shipping, name of carrier, and the associated tracking number must be emailed to logistics@tidewatertactical.com when the package is shipped.

Seller shall notify Tidewater Tactical if any Supplies on the Purchase Order are restricted by export control laws or regulations. 8. Delivery, Excusable Delays, Title and Risk of Loss.

Delivery. All Parties expressly agree that time is of the essence. Whenever it appears Seller will not meet the delivery schedule, Seller shall immediately notify Tidewater Tactical in writing of the reason and estimated length of the delay. This notice shall not affect Tidewater Tactical's rights or remedies. Seller shall make every effort to avoid or minimize the delay and shall pay any additional cost incurred by either party because of late delivery. If Seller is unable to meet the delivery schedule for any reason other than a change directed by Tidewater Tactical, Tidewater Tactical may cancel the Purchase Order in accordance with the Termination for Cause clause herein. The rights and remedies of Tidewater Tactical provided in this provision shall not be exclusive and are in addition to any other rights and remedies provided by law or in equity or otherwise provided under this Order.

Excusable Delays. Seller shall be liable for default unless nonperformance is caused by an occurrence beyond the reasonable control of Seller and without its fault or negligence such as, acts of God or of the public enemy, acts of the Government in either its sovereign or contractual capacity, fires, floods, epidemics, quarantine restrictions, strikes, unusually severe weather, and delays of common carriers. Seller shall be liable for its subcontractor's delays unless arising from causes beyond the control and without the fault or negligence of both Seller and such subcontractor and only when Seller could not have obtained the Supplies or Services from other sources in sufficient time to permit Seller to meet the required delivery schedule. Seller shall notify Tidewater Tactical in writing as soon as it is reasonably possible after the commencement of any excusable delay, providing details of such occurrence, and shall promptly give written notice to Tidewater Tactical upon cessation of such occurrence. Relief shall be limited to an extension of delivery dates or times of performance to the extent caused by the excusable delay.

Title and Risk of Loss. Unless the Purchase Order specifically provides otherwise, title to Supplies and risk of loss shall remain with Seller until (i) delivery of the Supplies to a carrier, if transportation is F.O.B. Origin; or (ii) delivery of the Supplies to the delivery location specified on the Purchase Order, if transportation is F.O.B. Destination.

- 9. Hazardous Materials.** Each Party represents that it will comply with all applicable hazardous materials laws and regulations during performance of this Order including, but not limited to, 49 C.F.R. §§ 100-180, 29 C.F.R. §§ 1910.1200, and the Toxic Substances Control Act of 1976 (15 U.S.C. §§ 2601, et. seq.), and Federal Standard No. 313F. For each shipment of Supplies, Seller shall provide Tidewater Tactical, in writing, sufficient advance warning and notice (in addition to including appropriate labels on Supplies, containers and packaging) of any hazardous or restricted material that is an ingredient or a part of the shipment, together with such special handling instructions as may be necessary to advise logistics providers, handlers of the Supplies, and personnel of how to exercise that measure of care and precaution that will comply with any applicable Laws and prevent bodily injury or property damage in the handling, transportation, processing, use or disposal of the Supplies, containers and packing. Parties shall comply with the Hazard Communication Standard (29 C.F.R. § 1910.1200(g)), which requires that a Safety Data Sheet be provided with each hazardous material sold under this Purchase Order. This requirement applies to the manufacturer, the distributor, and any subsequent resellers. Seller certifies that any chemicals sold under this Order are on the Toxic Substances Control Act (15 U.S.C. §§ 2601, et. seq.) chemical inventory or are subject to exemption, and that such exemption is specified in the Safety Data Sheet. Seller shall ensure that all hazardous material is correctly labeled at the time that the Safety Data Sheet is submitted to Tidewater Tactical.
- 10. Inspection/Acceptance.**
- Inspection.** Seller shall only tender for acceptance Supplies or Services that conform to the requirements of the Purchase Order. Tidewater Tactical and/or Tidewater Tactical's Customer reserves the right to inspect or test any Supplies called for by the contract, to the extent practicable, at all places and times, including the place of manufacture, both before and after acceptance. Unless otherwise specified in the Purchase Order, Tidewater Tactical and/or Customer shall inspect Supplies within ten (10) days of receipt ("Inspection Period"). If nonconforming Supplies are identified during performance of this Purchase Order or during the Inspection Period, Tidewater Tactical and/or Customer may require repair or replacement of nonconforming Supplies at no increase in the Purchase Order price. If repair or replacement will not correct the nonconformance(s), Tidewater Tactical may seek an equitable price reduction or adequate consideration for acceptance of nonconforming Supplies or Services. Nothing herein shall be construed to limit any other remedies available to Tidewater Tactical for noncompliance under these terms and conditions.
- Acceptance.** Supplies shall be deemed accepted after expiration of the Inspection Period unless Tidewater Tactical notifies Seller in writing of a nonconformance during the Inspection Period.
- 11. Price.** The price(s) set forth herein shall include all applicable Federal, State and local taxes, duties, and tariffs. Once the Purchase Order has been accepted, no additional charges shall be included in the Purchase Order price or on Seller's invoice without express written acceptance by Tidewater Tactical.
- 12. Payment.** Payment will be made in accordance with the terms stated on the Purchase Order for the specified price and quantity of delivered Supplies and/or completed Services, after Tidewater Tactical receipt of a proper invoice. For the purpose of this clause, "delivered Supplies" means Supplies for which Customer has provided acceptance (as defined in Paragraph 10). Invoices shall be submitted via e-mail to accounting@tidewatertactical.com and contain the following information, at a minimum, to be considered proper: (i) name and address of Seller; (ii) invoice date and number; (iii) Tidewater Tactical Purchase Order number; (iv) description, unit of measure, quantity, unit price, and extended price by line item, if applicable; (v) proof of delivery or other evidence of delivery or completion reasonably requested by Tidewater Tactical. Proof of Delivery and Packing Lists under this paragraph must be sent to logistics@tidewatertactical.com.
- 13. Changes.** Tidewater Tactical may modify the Purchase Order at any time, provided that such changes are made in writing by way of a modification to the Purchase Order. If any modification will cause an increase or decrease in Seller's cost of performance or time required for delivery, Seller shall notify Tidewater Tactical in writing of such change within 15 calendar days after receipt of the Purchase Order modification. Seller shall submit a request for equitable adjustment within 30 calendar days of its assertion in accordance with Paragraph 14

herein, to include all costs associated with the change. Seller shall proceed with performance of this Purchase Order while the Parties negotiate any adjustment.

- 14. Equitable Adjustments.** A request for equitable adjustment submitted by Seller shall include the legal basis for the request and all types of adjustments in the total amounts to which Seller asserts entitlement. Seller shall provide Tidewater Tactical sufficient detail to reasonably support Seller's proposal for a request for equitable adjustment or for which Tidewater Tactical's customer may require in evaluating such request. Failure of Seller and Tidewater Tactical to agree on any proposed adjustment or change claimed by Seller shall be a dispute as defined in Paragraph 22 and shall not excuse Seller from diligently proceeding with performance of this Purchase Order.
- 15. Stop Work.** Tidewater Tactical may, at any time, by written order to Seller, require Seller to stop all, or any part, of the work called for by this Purchase Order for a period of 120 days after the order is delivered to Seller, and for any further period to which the Parties may agree. The order shall be specifically identified as a stop-work order issued under this Paragraph. Upon receipt of the order, Seller shall immediately comply with its terms and take all reasonable steps to minimize the incurrence of costs allocable to the work covered by the order during the period of work stoppage. Within a period of 120 days after a stop-work is delivered to Seller, or within any extension of that period to which the Parties shall have agreed, Tidewater Tactical shall either: (1) Cancel the stop-work order; or (2) Terminate the work covered by the order as provided in the Termination for Cause, or the Termination for Convenience of the Government clause as specified herein. If terminated, Tidewater Tactical shall allow reasonable costs resulting from the stop-work order in arriving at the termination settlement.

If a stop-work order issued under this clause is canceled or the period of the order or any extension thereof expires, Seller shall resume work. Tidewater Tactical shall negotiate an equitable adjustment in the delivery schedule or contract price, or both, and the contract shall be modified, in writing, accordingly, if: (1) The stop-work order results in an increase in the time required for, or in Seller's cost properly allocable to, the performance of any part of this contract; and (2) Seller asserts its right to the adjustment within 15 days after the end of the period of work stoppage. Seller must submit any claim for adjustment within 15 days after the end of the work stoppage to Tidewater Tactical or Seller unconditionally waives such claim.

- 16. Termination for Cause.** Tidewater Tactical may terminate this Purchase Order in whole or in part at any time without liability if Seller: (i) Fails to deliver the Supplies and/or Services within the time specified in this Purchase Order, (ii) Fails to perform any of the other provisions of this Purchase Order; or (iii) so fails to make progress as to endanger performance of this Purchase Order in accordance with its terms. In the event of termination for cause, Tidewater Tactical shall pay Seller for Supplies and/or Services delivered and accepted prior to the termination, less an adjustment for damages and costs incurred by Tidewater Tactical as a result of Seller's breach. If Tidewater Tactical terminates part of the work under this Order, Seller shall continue performance of this Order to the extent not terminated. If, after a default termination, it is determined that Seller was not in default, or that the default was excusable, the rights and obligations of the Parties shall be the same as if the termination had been issued for the convenience of Tidewater Tactical. The rights and remedies of Tidewater Tactical specified in this provision shall not be exclusive and are in addition to any other rights and remedies provided by law or in equity or otherwise provided under this Purchase Order.
- 17. Termination for Convenience.** Tidewater Tactical may terminate this Purchase Order in whole or in part at any time for its sole convenience. Upon receipt of such termination, Seller shall immediately: (i) stop work as specified in the notice; (ii) place no further subcontracts or orders (referred to as subcontracts in this clause); and (iii) terminate all subcontracts to the extent they relate to the work terminated. Seller shall be paid a percentage of the Purchase Order price corresponding with the percentage of the terminated work performed prior to the notice of termination, plus Seller's reasonable expenses incurred as a direct result of the termination. No amount will be allowed for anticipated profit on the terminated work. The amount paid shall be reduced by the reasonable resale or salvage value of any undelivered work or uncompleted work in progress.

Seller shall submit to Tidewater Tactical supporting documentation in sufficient detail to justify any termination payments requested by Seller. Seller will not be paid for any work performed or costs incurred that could reasonably have been avoided.

- 18. Indemnification.** Seller shall defend, indemnify, and hold harmless Tidewater Tactical, its directors, officers, and employees (for the purposes of this provision, collectively, "Tidewater Tactical"), from and against any and all claims, damages, liabilities, losses, and expenses, including but not limited to attorney's fees and expenses, of every kind and nature whatsoever, arising out of or relating to Seller's performance of the Purchase Order in each of the following instances: (i) For the acts and omissions of Seller, its employees, subcontractors, or agents, except where Tidewater Tactical is solely negligent; (ii) For the failure of Seller, its employees, subcontractors or agents to comply with any laws, regulations or ordinances; (iii) Seller's breach of the Purchase Order; (iv) any action, claim, or demand arising out of Seller's obligations under this Purchase Order; (v) For any actual or alleged infringement of patent, copyright, intellectual property, or trademark, or allegation of trade secret misappropriation arising from Seller's work or the Supplies, and (vi) damages of any kind and nature whatsoever for property damage, personal injury, or death (including injury to or death of employees of the Indemnifying Party or any subcontractor thereof) and all expenses, costs of litigation, and attorneys' fees related thereto or incident to establishing the right to indemnification, arising out of or in any way connected to this Purchase Order, the performance thereof by the Indemnifying Party, or by any of their respective employees. Seller shall be responsible, in addition to all other remedies available to Tidewater Tactical, to either procure the right for Tidewater Tactical and Customer to continue using the infringing Supplies, replace or modify the Supplies so that they are no longer infringing, or refund all amounts paid to Seller for the infringing Supplies.
- 19. Insurance.** Seller agrees to purchase and maintain at its own expense the following insurance coverages with minimum limits as stated:
- A. Commercial General Liability:** Coverage for third party bodily injury and property damage, including products and completed operations, contractual liability, and independent contractors' liability with limits not less than \$1,000,000 per occurrence and \$2,000,000 in the aggregate.
 - B. Products Liability:** in an amount of no less than \$1,000,000 per occurrence covering bodily injuries or property damage arising out of defective products or work completed.
 - C. All-Risk Property Insurance:** in an amount adequate to replace property of Tidewater Tactical and/or Tidewater Tactical's customer, including supplies covered by this Order, which may be in the possession or control of Seller. Tidewater Tactical shall be named as a Loss Payee with respect to loss or damage to said property and/or supplies furnished by Tidewater Tactical.
- 20. Warranty.** Seller warrants to Tidewater Tactical and Customer that all Supplies and/or Services delivered hereunder are merchantable, meet product service conformity, product safety requirements, fit for use for the particular purpose described in the Purchase Order or any document incorporated by reference therein, and free from defects in material or workmanship for a period of one (1) year from the date of delivery or for the period of Seller's standard warranty for the Supplies, whichever is greater. Seller shall notify Tidewater Tactical of nonconforming processes, Supplies and obtain approval for their disposition when it effects form, fit or function of the Supplies delivered under this Purchase Order. This warranty shall survive any inspection, delivery, acceptance of, or payment by Tidewater Tactical for the Supplies.
- 21. Compliance with Local, State and Federal Law.** In the performance of the Purchase Order, Seller, its employees, agents, consultants, suppliers, or subcontractors (for the purposes of this provision, collectively, "Seller"):
- A.** Shall comply with the applicable provisions of all federal, state, and local laws, executive orders, rules and regulations applicable to its performance of this Agreement, specifically including those laws applicable to the ship-to location on the Purchase Order;

- B. Acknowledges that Tidewater Tactical's contract with Customer requires Tidewater Tactical to provide information regarding the country of origin of Supplies and hereby warrants that all information provided by Seller to Tidewater Tactical regarding the origin of Supplies shall be true, correct, and complete.
- C. Represents and warrants that it will timely pay to all subcontractors and suppliers all amounts due from Seller in connection with the performance of its obligations hereunder.
- D. Tidewater Tactical, its Customers and the U.S. Government, or their authorized representatives, shall have access to and right to examine any of Seller's facilities, non-proprietary processes and pertinent documents and records related to this Purchase Order.
- E. Seller shall retain data, records, materials, and other evidence for examination, audit, or reproduction, for five (5) years after final payment under this Purchase Order, or, if this Purchase Order is completely or partially terminated, records relating to the terminated Purchase Order shall be made available for 5 years after any resulting final termination settlement. Seller must retain records relating to disputes or to litigation (including any appeals) or the settlement of claims arising under or relating to this Purchase Order until such disputes, litigation, or claims are final.

As used in this Section, records include books, documents, procedures and practices, and other data, regardless of type and regardless of form. This does not require Seller to create or maintain any record that Seller does not maintain in the ordinary course of business or pursuant to a provision of law.

22. Disputes. The Parties shall submit any dispute arising under or related to this Order in writing to equivalent ascending levels of management of the Parties. If the Parties cannot resolve a dispute after good faith negotiations, within 90 days from the date the written dispute is properly received by the other party, or such additional time as the Parties agree upon, in writing, either party may bring suit against the other. For purposes of all claims brought under this Purchase Order, the Parties hereby irrevocably submit to the exclusive jurisdiction of the federal and state courts located in Norfolk, Virginia. In addition, the parties waive their rights to trial by jury for all claims brought under this Agreement. Seller shall proceed diligently with performance of the Purchase Order pending final resolution of any dispute arising under this agreement.

23. Release of Information and Advertising. Seller agrees not to publicly release any information with respect to this Order or its subject matter without the prior written approval of Tidewater Tactical. Additionally, Seller shall not use Tidewater Tactical's name or its Customers' names or in any other way identify Tidewater Tactical or its Customer in any advertisement, display, news release, or other public disclosure without Tidewater Tactical's prior written consent. - A. Seller certifies that neither Seller nor any of its principals are presently debarred, suspended, proposed for debarment, or declared ineligible for the award of contracts by the U.S. Government;
- B. Seller represents that it and its directors, officers, and/or majority equity owners are not on any excluded or denied party lists maintained by the U.S. Government. If at any time during performance of this Purchase Order, any such party becomes listed on any such lists, Seller shall immediately notify Tidewater Tactical.
- C. If the value of the Purchase Order exceeds the threshold specified in FAR [3.808](#), Seller hereby certifies to the best of its knowledge and belief that no Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress on its behalf in connection with the awarding of this contract. If any registrants under the Lobbying Disclosure Act of 1995 have made a lobbying contact on behalf of the Seller with respect to this Purchase Order, Seller shall complete and submit, prior to acceptance, OMB Standard Form LLL, Disclosure of Lobbying Activities, to provide the name of the registrants. If at any time during execution of this Purchase Order, Seller is no longer an authorized dealer or distributor of the OEM or otherwise loses its standing with the OEM, Seller will immediately notify Tidewater Tactical. Tidewater Tactical's remedies shall include, but not be limited to, termination of the Purchase Order. In such case, if the Purchase Order has not been fulfilled Tidewater Tactical will seek alternate, authorized sources to meet its contractual obligations to the Customer.
